			Debit		Credit	
2.1	Cash withdrawal commission at BKT ATMs*****	min. max.	700 2'000			700 2'000

* Card transactions performed in foreign currencies are influenced by several factors, which can cause the amount that will be debited or credited to the cardholder's account to differ from the value obtained by converting the transaction amount using the exchange rate listed on BKT's official website. These factors include the exchange rate used by the card provider companies Mastercard or Visa, additional fees associated with the services these companies offer, and fluctuations in the exchange rate between the transaction performing date and the transaction clearing date (date when the transaction is settled in the bank's system). The difference of the exchange rate, is calculated to be approximately 2% compared to the exchange rate published in the official website of BKT.

** According to the BKT current offers

Credit Card is offered free of commission for the 1st year. The offer is not valid if the card is closed in the first year.

The annual card commission is given back to the cardholder in the form bonus for purchases over 400,000 Lek / 600,000 lek per year.

*** If the merchant or receiving entity categorizes the action as withdrawal and not as purchase, the withdrawal conditions will be applied.

**** If the Credit Card is closed within the first year of its activation, it is applied the commission of 1,500 lek for **Prima Credit Cards** and 3,000 lek for **Prima Gold Credit Cards**.

***** Till December 31, 2025

***** For cards issued by abroad Banks of the Republic of Albania, it is applied a commission as % (percentage) of the withdrawal amount, depending on the country where the card was issued.

The commission that the customer must pay is displayed on the ATM screen, before the customer confirms the transaction.
